

MCFC's July 8th public Board meeting has been cancelled.

**Our next meeting public Board meeting
will be October 7, 2015**

Update:

Summer harvesting operations continue by Snowshoe Creek in Crescent Spur, by McIntosh Creek and by Legrand Creek.

We continue to maintain the summer recreation sites at LaSalle Lake and the Holmes (Beaver) River, and are planning to do another weed removal at LaSalle Lake in mid-late July.

The summer intake for grant proposals is open with the cutoff date being July 31st.

Negotiations on the Carrier forest license purchase and conversion are ongoing.
